

CONSENTIA
RAW DATA. REFINED RESULTS.

CLOUD STORAGE

Secure accessible cloud storage for your team

Store, sync, and share your files safely so your teams can collaborate efficiently from anywhere

WE OFFER

Flexible Storage Plans

Choose the right plan for your current needs, with options that scale as your organization changes

Custom Account Management

Set permissions based on roles or teams so everyone has access to the files they need —nothing more, nothing less.

Training and Support

We guide your team through setup and keep the learning curve minimal so everyone can work confidently

YOU RECEIVE

Access Anytime, Anywhere

Files are synced across devices so your team can work from the office, home, or on the go.

Enhanced Collaboration

Keep files centralized, control access, track changes, and streamline teamwork easily

Reliable Security and Backup

Files are secured with advanced protection, two-factor authentication, and recovery options
